

Extreme Exposures offers a variety of large format print products to both individuals and businesses. Extreme Exposures utilizes the Mimaki CJV300 EcoSolvent printer, the industry leader in large format printing. The Mimaki CJV300 is a 54" wide roll printer which allows us to produce anything from decals to banners up to 52"w by any length!

Vinyl Scrim banners in 13 oz., 15 oz., and 18 oz. weights that are weld hemmed and grommited to customer specifications.

Specialty Banners vibrantly printed on vinyl mesh, 4.7 oz. Polyester Poplin and Canvas!

Gone are the days of multi-layered vinyl graphics to achieve colorful banners and vehicle graphics. No longer will budget restrictions limit the number of colors you can use to promote your business or event. Combined with our 54" cold press laminator, outdoor graphics now have extended lifespan against fading and abrasion.
